

Spellings

(practise these in your neatest, joined handwriting)

knock	gnome
know	gnarled
knee	knead
gnat	known
gnaw	kneel

Which are the silent letters in these spellings?

Good morning Year 2! Well done for working really hard again this week and for sending all your fantastic work to me. I hope you have a lovely weekend.

Here are your tasks for Friday

Miss Clement ☺

The Scented Garden

English

Today we are focusing on developing our grammar skills. Before half term we looked at different types of sentences. Today we are looking at command sentences. These include 'bossy' verbs - in Year 2 we call these imperative verbs.

Watch this video

<https://www.bbc.co.uk/bitesize/articles/zb7xprd> then have a go at the activities underneath. When you have done this have look in the books you have at home - can you find any command sentences? (A recipe book or set of instructions might be a good place to start!)

Music

It's been so long since we have been together at school and seen each other I thought it would be nice to learn a song together whilst we're all at home. The song is called 'Don't Stop' and it's all about being positive and looking ahead to the future.

You can find the lyrics here

<https://www.singup.org/song-bank/lyrics/view/963-dont-stop/type/main/>

and the performance track on the right hand side of the page here

<https://www.singup.org/singupathome/empowering-inspiring>

If you're feeling brave ask an adult to film your performance and send it to me - I would love to see them!

Maths

It's Flashback Friday today!

First let's practise our times tables with this Speed Tables challenge <https://www.timestables.co.uk/speed-test/>

Then have a go at the Maths mats on the next two slides. The first one is 2-star difficulty and the second one is 3-star. Choose whichever challenge you would like or do both if you would like to!

Year 2 Maths Activity Mat

②

Section 1

Use the correct sign
< or > to make these true:

26		44
71		17

Section 2

What are the missing numbers? ???

90		70	60			30	
----	--	----	----	--	--	----	--

Section 3

A baker bakes 18 cakes. He sells half of them. How many are left?

Section 4

Which number is the odd one out? Explain how you know.

13 17 11
62 91 53

Section 5

Kim eats one cake. What fraction of the amount has she eaten?

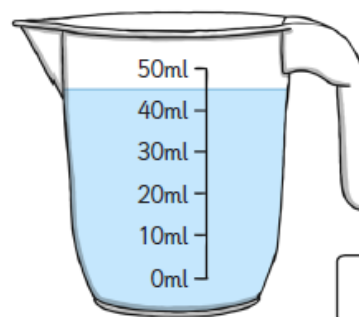

Section 6

Hannah's train leaves at 11.30am. It is now 11.15am. How long does Hannah have to wait for the train to leave?

Section 7

How much juice is in the jug?

Section 8

Are these correct? Can you correct any which are not correct?

$$112 - 10 = 100$$

$$200 + 35 = 230$$

$$73 + 14 = 87$$

Year 2 Maths Activity Mat

②

Section 1

Use the correct sign
< or > to make these true:

145		415
201		102

Section 2

What are the missing numbers?

75		65	60			45	
----	--	----	----	--	--	----	--

Section 3
