

Mathematics

This half term we will be recapping all the numbers facts we have already learnt for the numbers to 20. We will also be exploring measurement- looking at length, height and distance as well as weight and capacity.

Communication and Language

We will be developing our confidence in speaking within a familiar group. We will also be continuing with our weekly 'Show and Tell' sessions where the children can share items from home with their friends.

Physical Development

This half term we will be focusing on our letter formation ready for Year 1. We will also be continuing with our weekly P.E. sessions. This half term we have P.E. on a Wednesday afternoon.

Literacy

We will be continue to develop our ability to write sentences independently. We will be writing our own stories and fact files. We will also continue to learn our Phase 3 Phonics.

Beside the Seaside

Understanding the World

This half term we will be exploring how the experience of going to the seaside has changed overtime. We will also be exploring different types of holidays as well as finding out about a range of different sea creatures.

Over the next few weeks we will be observing the caterpillars and watching them grow in butterflies.

Expressive Arts and Design

This half term we will be working in pairs to design and make our own boats and lighthouses.

Personal, Social and Emotional Development

This half term we will be thinking about changes and moving on to Year 1. The children will be reviewing their first year at school and thinking about exciting things they will be doing in their new class.
