

Woodstone's Green Team Elections

Here at Woodstone, we work hard to teach our students the importance of taking care of our environment. Our students have a team of representatives from each class who are responsible with helping Woodstone to be as green as possible!

In Year 3 we held an election for the 2 Green Team spots available to us. 9 students applied, they were given a few days to prepare a speech convincing us why they should represent us. They delivered their speeches to the class and each child was allowed 2 votes.

Well done to our Year 3 Green Team members!
