Growing together, Learning forever

Wednesday 19th January 2022

Dear Parents,

Visit to Warning Zone, Leicester (Year 6)- Wednesday 9th February 2022

An exciting but also very important trip has been arranged for Year 6 pupils to visit Warning Zone in Leicester as part of our work in PSHE. This is a vital visit as the trip will include a series of activities led by trained staff in groups of 6/7 which aim to foster an understanding of risk, consequences of actions, peer pressure and personal responsibility. The morning will be spent carrying out a range of fun activities which will enhance the children's understanding of online safety and the potential dangers of being online; the afternoon will be spent walking around different zones which depict different safety scenarios children may come across in their lives, for example road safety, fire safety and electricity. More information can be found on the website www.warningzone.org.uk. I'm sure you will agree that these are vital lessons for your child to learn as they start secondary school later this year and become more independent.

The children will need to leave school at 08:30 to get to Leicester in time for the beginning of our session. We will leave Leicester at 14:30 to be back at school for home time (hopefully!). Your child needs to wear school uniform. Please also bring a waterproof coat. A packed lunch will also be needed with a drink (nothing fizzy).

Although we, as a school, are heavily subsidising the day, we do need to ask for a contribution of £20. This should be paid for on www.schoolmoney.co.uk where you will need to enter your login details and password.

Please sign the permission slip below and return to school by Friday 21st January.

Yours sincerely,

Miss Rebekah Daley
Class Teacher
