Good morning Year 1 🕲

I hope you are now starting to get yourself back into a routine. I know many of you are starting your day with Joe Wicks' PE lesson on Youtube. Make sure you also take a 'brain break' in between the activities set.

I hope you enjoy completing Rainbow challenge 3 ©

Maths

22nd April 2020

We are working on our subtraction skills today. Please use your number cards to pick a number between 10 and 20. Then roll your dice and subtract the number you land on from the number you chose. Please count back from the biggest number using your fingers or your number line.

Phonics

Please follow the link below to play
the buried treasure game. Please
choose a phase 5 grapheme that
you have been working on at home.

nber-only/BuriedTreasure2.html

To sign in, use the username 'march20' and password 'home' to sign in.

Redding

I hope you are enjoying the 'Ned and the Jungle Animals' story so far. Today, I would like you to read chapter 3 and complete the activities related to the story. You will find Chapter 3 and the activities in your '2Dos' on Purple Mash. Remember, reading is really important so please try to read daily for at least 10 minutes in addition to this task.

Writing

Look back at the Plant
PowerPoint from Monday's
Topic activity. Please write
a sentence to explain the
'important'job' of each
part of a plant in your
neatest handwriting.

Topic

If you are able to, go for a springtime walk and make a list or draw pictures of all the signs of spring you saw. If you are unable to go outside, take a look out your window. What can you see?

Random Act of Kindness

Phone someone that you haven't seen for a while.

Ask them how they are and what they have been doing.

Remember to be a good

listener.

Key Skills

Practise counting to 100.

When you get to a multiple of 10 change your voice (e.g. squeak your numbers like mouse or roar like a lion).
