

Maths

In Maths this term we will be developing our understanding of place value up to 50 as well as addition and subtraction up to 20.

We will also be exploring measurement of weight and volume and learning about position and direction.

English

This half term we will be exploring two different texts – 'Beegu' and 'The Storm Whale'. We will write stories, non-chronological reports and poems. We will also be continuing to work through Phase 5 Phonics developing our skills in reading and writing the new sounds we have learnt.

Personal, Social and Health Education

This half term in our PSHE lessons we will be exploring how to keep ourselves and others safe and how to manage risk.

Year One Spring One Curriculum Map

SUPERHEROES

Science

We will be doing lots of Science this half term through both our Superheroes topic and in our weekly Science lessons. We will be focusing on materials and exploring the properties of different materials as well as their uses.

Geography

In Geography this half term we will be learning about the geography of the UK, looking at capital cities, famous landmarks and coastlines.

P.E.

In P.E. this half term we will be swimming on Tuesday afternoons, developing our skills in water safety and different swimming strokes. We will also be continuing to develop our skills in moving to music through our 'Dance' unit.

R.E.

This half term in R.E. we will be exploring the beliefs, customs and traditions of the religion of Judaism.

Music

Our focus in Music this half term is 'Rhythm'. We will be listening to and creating lots of different rhythms.

Computing

This half term in our Computing lessons we will be using software to create animated stories as well as exploring how to keep safe online.

History

This half term we will be exploring some 'real-life' superheroes from the past, such as Florence Nightingale.

Art and Design

In our Art and D&T lessons this half term we are focusing on the skills of 'collage' and 'sculpture'. We will be creating lots of artwork inspired by Superheroes, as well as making our own superhero masks. We will also be exploring what makes a balanced diet and doing some cooking with some different super foods.
