

### **Mathematics**

This half term we will be exploring number bonds to 10. We will be counting in 2s, exploring 3D shapes and lines of symmetry and measuring and comparing length, height and weight.

### **Communication and Language**

This half term we will be exploring vocabulary in regards to seasonal changes. We will also continue to send Rocky home, providing the children with chance to share what they have been up to with the class.

### **Physical Development**

This term we will be developing our ball skills in our weekly PE sessions with the sports coach. We will also continue to develop our fine motor skills through 'Dough Disco' and different writing activities.

### **Literacy**

This half term we will be developing our writing skills further, focusing on forming sentence. We will spend time exploring new stories in order to find out lots of new information about different types of transport.

### **Understanding the World**

This half term we will be finding out different types of transport. Reflecting on what we found out during our visit to the airport. We will also be continuing with our weekly Forest School sessions on a Friday morning.

**Are we there yet?**

### **Personal, Social and Emotional Development**

This half term we will be thinking about me and my world. Exploring our school and home life as well as our local neighbourhood and caring for our world.

### **Expressive Arts and Design**

This term we will be designing and making our own transport using recycled materials. We will also be exploring malleable materials in order to work together to create our own roads and construction sites.
