

## Movers and Shakers

This week we learnt about different memorials including statues, monuments, buildings and plaques. We looked at photos of some memorials including the Mary Anning window, Emmeline Pankhurst's plaque, the bank note in memory of Christopher Columbus and many different monuments for other significant people. We used these photos as inspiration to create our own monuments and plaques in memory of our local historical significant person 'Alice Hawkins'.

Take a look at some of our work 😊
