

Maths

In our Maths lessons, we will be:

- Learning to tell and write the time to five minutes.
- Recognising, finding, naming and writing fractions of a length, shape, set of objects or quantity
- Measuring, ordering and comparing lengths and heights in centimetres and metres

Geography

In our Geography and history lessons, we will be:

- Using aerial images to recognise landmarks and basic physical features
- Devising a simple map; using and constructing basic symbols in a key
- Using simple fieldwork and observational skills to study the geography of the school

Science

In our Science lessons, we will be:

- Using a simple food chain to describe how animals obtain their food from plants and other animals.
- Matching animals to their habitats

RE

In our RE lessons, we will be:

- Learning about who Muslims are and what do they believe?

Where is Woodstone?

Computing

In our Computing lessons, we will be:

- Using the 2sequence programme to explore harmony and build up musical scores
- Learning how to combine effects to enhance patterns
- Learning how to insert pictures into a word document

PSHE

In our PSHE lessons, we will be:

- Learning about relationships and change as part of our healthy and safer lifestyles unit

PE

In our PE lessons, we will be: developing our running, jumping throwing and catching techniques in our athletics lessons

Art / DT

In our Art and DT lessons, we will be:

- Designing and making a tipper truck!

Music

In our Music lessons, we will be:

- Learning about music technology.
- Developing our confidence in playing the recorder.

English

In our English lessons, we will be:

- Identifying and using features of information leaflets including lists, labelling and subtitles
- Designing and writing our own information leaflets about the village of Ravenstone.
- Writing recounts using time adverbials
- Asking and answering questions about a variety of texts to develop our understanding about what we have read
