

Florence Nightingale Workshop

This morning we had a Florence Nightingale workshop in the school hall which linked nicely to our previous 'Movers and Shakers' topic. We learnt all about the life the Miss Nightingale and why she is considered to be one of the most significant individuals of the past. We then had a go at making our own 'pills' by weighing out and grinding herbs and spices and using a special tool to create the correct shape. We learnt about common items Miss Nightingale used at work and sorted them into items that belonged in either the kitchen, patient room or cleaning cupboard. We also enjoyed dressing up as nurses and soldiers.
