persuasion

Practise the words.

Look up the last 4 words in a dictionary and write the definition.

English

Comprehension - choose the 1, 2, or 3 star challenge from the Home Learning tab.

Read the facts, answer the questions then mark your answers.

Note this is a biography - pay attention to the features as you will be writing a biography tomorrow.

Reading

Read for 20 minutes.

Maths

Starter - print or copy the number line from the Home Learning tab. Mark the following decimals: 6.5, 9.9, 4.2, 1.8, 5.1, 3.6, 2.8 and 4.0. Discuss the location of each decimal showing children how 6.5 lies halfway between 6 and 7, 2.8 is closer to 3 than 2, etc.

Main - $£24 + £76 + £58 =$ Solve it using a written method.

	2	4
	7	6
	5	8
	1	
1	5	8

- $£45 + £60 + £25 =$ This is easy to add in your head!
- Look at the numbers and spot bonds, i.e. $£40 + £60 = £100$, $£25 + £5 = £30$.
- Find the abacus page on the Home Learning tab.
- Bronze – 1 to 8 and the word problems
- Silver – 7 to 14 and the word problems
- Gold – 9 to 16 and the word problems
- Think = optional
- Mark using the answer sheet on the Home Learning tab (page 63)

Music - optional

If you have your ukulele at home you can keep practising. If you play an instrument such as the piano, clarinet or guitar use this time to become a maestro!

Science

Watch the clip on the BBC <https://www.bbc.co.uk/bitesize/clips/zs2jmp3>

Write notes on what you have watched.

Read the PowerPoint on the Home Learning tab about adaptation.

Write notes on the whale ONLY.
