

'My Choice' Homework

This half term our topic is **Moon Zoom!**

What work will you choose to do at home about this topic? Here are some ideas:

- Design or make your own spacecraft.
- With an adult, search the web and create your very own space fact book.
- Imagine you're an astronaut and write a diary about your space missions.
- Make up a space song or rhyme and perform it to the class.
- Create a space themed painting.
- Visit the National Space Centre in Leicester and write about what you learned.

This homework is due in by **Thursday 26th March** 😊

Have fun!
