

Influential Musicians to celebrate Black History Month

In Year 3 we decided to celebrate Black History Month by learning about some famous musicians and how they changed the music industry forever.

We spoke about three famous black musicians:

- Aretha Franklin - a jazz and RnB singer
- Stormzy - a grime artist
- Bob Marley - a reggae musician and singer

After learning about these inspirational musicians, we listened to some of their songs! We heard 'Respect' by Aretha, 'Big For Your Boots' by Stormzy and 'Three Little Birds' by Bob Marley. The children then wrote a fact file on their favourite musician!
