

Spellings

(please practise these in your handwriting book)

who	which
what	there
why	they
when	were
how	where

Be careful - some of these spellings have silent letters and others look nearly the same. Keep practising!

Hello Year 2! I hope you are enjoying the lovely sunny weather we are having and finding some time to go for a walk or play in the garden! Keep up the hard work at home - we have two more days of home learning before half term.

Here are your tasks for Thursday.

Miss Clement ☺

Maths

Today we have a different focus in Maths - problem solving. This can seem quite tricky to start with but watch the video and think carefully about what you already know and what you are trying to find out. Have a go at w/c 27th April 'Lesson 4 - problem solving'. You can find the lesson, worksheet and answers here

Topic - Reflecting on our learning

Today we are finishing our 'Wriggle and Crawl' topic. Whilst we couldn't do this topic in school, you've still worked really hard at home. We've done lots of different activities, learnt lots of new things and produced some fantastic work - I am really proud of all of you! Today I would like you to reflect on the topic. Have a look at slide 3 and see if you can think of one thing to finish each sentence. It might be helpful to look back in your home learning book to remind yourself of all the things you have done - there are a lot of things to choose from!

English

We are practising our reading and comprehension skills today with a new book on Purple Mash. Read Chapter 1 of 'Max and the Pirates of Puddleton Bay'. Then have a go at the quiz, missing words and joining words activities. These are all set as 2Dos on Purple Mash. If you want an extra challenge have a go at the grammar activity on the next slide which focuses on changing the tense. Write the sentences into your home learning book.

Try reading something different today - maybe a magazine, a non-fiction book, a recipe book or anything else you can find around the house!
