

English

Today we are still working on the image 'The Tunnel' on <http://www.pobble365.com/the-tunnel/>

Hopefully yesterday you managed to complete the activities set on the webpage and got your minds back to thinking about good punctuation, vocabulary etc.

Today I would like you to reread the opening to the story that the website gives you. When you have done this I would like you to complete these 2 tasks ONLY:

1. Plan the rest of the story. What will happen next? What will the twist in your story be? How will it end?
2. Develop a mindmap or word bank of good vocabulary. Try to include both descriptive and figurative language.

House Challenge

Make sure you do at least 1 chore again today and post this to Seesaw 😊

Make sure you read for pleasure for at least 15 minutes. Try and read to someone and discuss your book if you can!

Complete another entry of your diary/journal 😊

Wednesday 25th March

Year 6

Home Learning Activities

PE

Do the next Joe Wicks PE workout on Youtube at 9am! If you are feeling up for it, you could also search on Youtube for 'Cosmic Kids Yoga'. It will be something different and looks fun!

Maths

Today I would like you to be a bit more creative and make your own 2D and 3D shapes! Use your imagination to make different shapes using whatever materials you can find in your house or garden. Try and get as many in your picture as you can, label them and upload the picture to Seesaw if you are on it. If not, keep the picture anyway! Try and create some more adventurous shapes too- search online for ideas if you are stuck!

* Remember to do Fluent in 5 Day 3!

Topic

I would like you to research Dr William Harvey please. You can present your work however you like: a poster, a powerpoint, a biography- I don't mind! I would just like to see you include information about who he was, why he is famous and anything else you find that is interesting.

Woodstone Challenge

Please have a go at another 'Woodstone Home Learning Challenge' activity. Take photographs for evidence!

If you haven't got round to doing the rainbow challenge yet, have a go! It is a fantastic way to spread joy and hope in this time. Be as creative as you can and put it in your front window at home.
