How quickly can you write out all of your spellings?

Good morning Year 2! Keep up the fantastic work at home. Here are your tasks for Thursday.
Miss Clement ☺

Maths

We are moving onto White Rose lesson 4 today which focuses on recognising a quarter. You can find the lesson, activity sheet and answers here <https://whiterosemaths.com/homelearning/year-2/>. Remember to answer the questions as best you can, whether this is on the printed worksheet, in your home learning book or verbally.

Music - body percussion

We have been working hard on our understanding of rhythm and pulse in Music this year. Watch this video <https://www.bbc.co.uk/teach/bring-the-noise/thunder-jam-this-is-me/zf9d47h> about using our bodies to make different percussion sounds. Can you create your own percussion rhythm just using your body? You could make different sounds using your hands, your feet, your mouth or any other part of your body. See if you can compose a piece of music using these different sounds.

English

Today we are focusing on grammar. We have been learning about different sentence types this year and today we are practising 'statements' and 'questions'. Remember statements tell the reader a fact or an idea whereas we use a question when we want to find something out. Watch these videos then choose a story book from home and see how many questions and statements you can find in the text. Can you find 3 of each? <https://www.bbc.co.uk/bitesize/articles/z97r2nb>

Read aloud to an adult for at least 10 minutes. There are hundreds of books here

<https://readon.myon.co.uk/library/browse.html> if you are looking for something new to read!

Riddle of the day

What has to be broken before you can use it?

Think of the day

How long is 'now'?
