

## Year 3 Homework

**Due: Monday 3rd February**

Remember these star points when you do your homework!

- Always use neat handwriting (join if you can)
- Remember to present everything neatly
- Use a pencil or good pen- Not Biro or felt tip etc.
- Try your very best
- Do your homework every week! It boosts your learning

**READING** - Read at home and/or share books at least 5 times a week!

Please write any reading in your reading diary.

**SPELLINGS** are ongoing homework - use the strategies in your homework folder to help you. Make sure you know the meaning of the words and how to use them in a sentence.

**TIMES TABLES** - there are strategies to help you to learn your times tables in your homework folder - by the end of Year 3 you need to know **2x, 3x, 4x, 5x, 8x, 10x**

### MATHS:

This week homework is all about fractions. Feel free to cut up pizza's and cakes and share different numbers of objects to help your child. A task has also been set for you on Abacus called 'Balloon Pop'.

Your child has also been sent home with a fraction's worksheet. s

### **MY CHOICE - DUE Monday 10<sup>th</sup> February**

Choose one activity from:

1. Write a first-person recount from Hogarth's view point. What did he think when he saw the Iron Man? How did he feel setting the trap? What was it like when he had helped to save the world?
2. Make a junk model of the Iron Man
3. Using the link, conduct your own science experiment. Remember to make a prediction or explain what you did and what you found out.  
<https://www.fatherly.com/play/activities/fun-science-experiments-for-kids-at-home/>
4. Investigate scrap yards! You can present your finding in any way! It might be a poster, a piece of art or a power point!
