

World War II

1939 - 1945

Reading

We will be having 1 hour and 30 minutes of Whole Class Reading each week where we will focus on our VIPERS skills. Our new Class Book for this topic will be Friend or Foe by Michael Morpurgo.

Topic

This half term we will be learning...

- The timeline of events of WW2
- Which areas of the UK were targeted by the Nazis and why
- About the life of an evacuee child
- What happened during the London Blitz and the Battle of Britain
- The impact of WW2 on the world

Science

This half term our science topics are:

- Living things and their habitats
- Electricity

Spellings

We will be having spelling lesson 4 times a week where we will be focusing on the spelling words and patterns the children need to know by the end of Year 6.

Grammar & Punctuation

We will be having a one hour session each week which will focus on a different skill. We will then work on implementing these skills in our writing.

Writing

We will do our writing throughout topic this half term, covering the genres:

- Letters
- Diaries
- Narratives
- Newspaper reports

Year 6

Autumn 2

A Child's War

Maths

As well as continuing to practise our arithmetic skills, we will focus on:

- Multiplication & division
- Measure
- Negative numbers
- Fractions
- Shape
- Percentages

Music: We will be completing our 'Pulse' and 'Voice' units.

French: Mr Mullins will be looking at 'Town descriptions' with the children.

Computing: Mrs Edwards will be exploring 'Coding' this half term.

PE: This half term we will have Forest School sessions every Wednesday afternoon. We will also have sessions every Thursday afternoon where we will be playing Dodgeball.

RE: We will be looking at the question 'Is it better to express your beliefs in arts and architecture or in charity and generosity?

PSHE: We will be exploring how to manage risks, participating in Anti-Bullying week and completing some First Aid training.
