

<b>Date:</b>	Tuesday, 31 <sup>st</sup> August
<b>Learning Intention:</b> <u>Design and Technology</u>	To understand where food comes from.
Today we enjoyed identifying apples trees on our school ground. We found a tree containing lots of apples that were ready to be picked. We learnt that the best way to pick an apple is to twist it while it is still on the branch before giving it a gentle pull. Mrs Edwards then very kindly washed and cut the apples for us to taste. They were delicious!
