Can you include your spellings in a sentence?

Good morning Year 2! I hope you enjoyed yesterday's activities. Keep working hard at home - we only have 2 more days of home learning left!
Here are your tasks for Thursday
Miss Clement ☺

P.E. - Animal Alphabet

Our P.E. challenge today is 'Animal Alphabet'. You will need three hoops (you could use pieces of string, skipping ropes or buckets instead) and a ball (or a pair of socks!). Follow the instructions on the next slide and keep a note of your score.

English

Today we are going to finish the story of 'Max and Pirates of Puddleton Bay'. Read chapter 5 of 'Max and the Pirates of Puddleton Bay' on Purple Mash. Then, have a go at the quiz, missing words and joining words activities. These are all set as 2Dos on Purple Mash.

Maths

First, practise telling the time with this game <https://mathsframe.co.uk/en/resources/resource/116/telling-the-time>. Then we are working on Summer Term - Week 5 w/c 18th May focusing on Lesson 4 'The 5-times table' today. Remember the worksheets are now uploaded as separate documents on the home learning page. You can find the video lesson here: <https://whiterosemaths.com/homelearning/year-2/>

virtual challenge

This week's virtual challenge is Animal Alphabet! For this challenge you will need three target "hoops", a ball, some paper and some great animal knowledge! Start by placing your target hoops down on the ground in a vertical line about two big steps apart. Next write down A, B & C on a separate pieces of paper (you can use small bits of paper for this) and put A down next to one hoop, B to the next hoop and C to the last hoop. Now take 5 big steps backwards and mark down a throw line (you can use anything for this!). Grab your ball and try to throw it into hoop A, B or C to get 5 points! If you land the ball in the hoop you then have 30 seconds to name as many animals beginning with that letter as you can, you get a bonus point for every animal you think of! Once you've done A, B & C why not keep working down the alphabet?

No hoop or ball?

No ball = rolled up socks! If you haven't got any hoops you could make a circle out of toys!

Mix it up!

You could try kicking the ball into the target instead to change this game up!

It's too easy!

Move your throwing line further back & try using different types of throws!

It's too hard!

Try moving your throwing line closer to the targets or make your targets a bit bigger!
