

Year 1 Curriculum Map

Summer 1

The Enchanted Woodland

Maths

This half term we will be practising counting in 2s, 5s and 10s and exploring multiplication and division. We will also be learning how to find halves and quarters of shapes and quantities.

English

In English this half term we will be exploring different stories around the theme of 'The Enchanted Woodland'. We will be writing stories and creating information reports. We will continue to practise our pre-cursive letters during our handwriting lessons.

Personal, Social and Health Education

In our PSHE lessons we will be learning about digital lifestyles and how to keep ourselves safe online. We will also be exploring what it means to lead a healthy lifestyle.

Music

Our focus in Music this half term will be Music Technology.

P.E.

We will be continuing our 'invasion games' unit during our P.E. lessons as well as beginning our outdoor athletics lessons.

R.E.

In R.E. this half term we will be learning about different sacred books and what we can learn from these.

Computing

We will be learning how to create and manage spreadsheets in our Computing lessons this half term.

Geography

This half term we will be focusing on 'Hot and Cold' exploring different countries around the world, their climates and their different cultures. We will be learning about the different continents and oceans on Earth.

Art

Our focus in our Art lessons this half term is colour mixing. We will be learning about primary and secondary colours and how these can be mixed to create different colour palettes.

Science

This half term we will be exploring properties and uses of different materials as well as exploring seasonal changes and observing different weather.
