

Mathematics

Over the next few weeks are going to continue to work on our counting and recognising the numerals to 5. We are also going to begin to think about repeating patterns as well as beginning to gain a better understanding of the key events which occur throughout the school day and in what order they happen.

Communication and Language

Over the next week we will be encouraging the children to share their ideas and opinions with the class. We will also develop our listening skills during circle time.

Physical Development

We will continue our weekly P.E sessions where we will continue to gain confidence in getting ourselves changed and ready for P.E. We will also continue to join in with activities to help to develop our writing such as 'Dough Gym' and 'Squiggle while you Wiggle'.

Literacy

For the next few weeks we will be starting to look at Phase 2 phonics, introducing the children to new sounds and tricky words to learn in order to help them with their reading and writing.

Amazing Animals

Personal, Social and Emotional Development

For the next few weeks we will continue to get to know each other and begin to think about our emotions, how these feel and how to deal with them.

Expressive Arts and Design

We will be developing our skills in using mixed media through a range of different farm inspired craft activities.

Understanding the World

This half term we will be finding out about different incredible animals. We will also be thinking about where in the world we might find them. We will also be continuing with our Forest School sessions on a Friday morning introducing tool use and campfire cooking.
