Growing together, Learning forever

Thursday 9th January

Dear Parents/Carers,

I would like to take this opportunity to introduce our new topic for this half term- 'Bloodheart'. I am sure this will be another exciting topic for the children to get their teeth into, so to further support their enthusiasm I am setting some My Choice homework to be completed over this term.

You're My Choice this half term is to create a piece of work that is to do with the heart. This can be anything you want. Here are some suggestions...

- **Create an exercise/food plan for maintaining a healthy heart.**
- **Explore media about the heart: art, music etc. Maybe come up with your own creations?**
- **Find out about famous scientists/ doctors and their work in the field. Maybe research what you need to do to become a heart surgeon?**
- **Explore hearts of other creatures- are they the same as ours?**

The homework is due in **Monday 23rd March.**

If you have any questions, please do not hesitate to come and ask me. Have fun!

Kind regards,

Miss Beckie Daley
Year 6 Teacher
