

## Spellings

(please practise these in your handwriting book)

there	see
their	sea
they're	to
here	too
hear	two

Remember these are homophones- words that sound the same but are spelt differently. Can you include your spellings in a sentence? Make sure you choose the correct homophone!

Hello Year 2! It's Friday again already - what a busy week! Well done for working hard again - look out for Mr Mullins' Golden Book assembly later on today. Here are your activities for Friday  
Miss Clement ☺

## Maths

Practise recognising multiples of 2, 5 and 10 on 'Coconut Multiples'

<https://www.topmarks.co.uk/times-tables/coconut-multiples>

Then it's Friday challenge day!

Can you complete all three challenges?

## PSHE

I'm really proud of how hard you are all working at home! You have all adapted really well to a strange situation and kept on exercising all of our Character Muscles that we use in class too. This Supermovers song is all about believing in yourself - can you join in?

We all have lots of different talents - how many different strengths of yours can you think of? It would be lovely to make a rainbow by writing each of your strengths in a different colour to create a 'Rainbow of Me'. Have a look at the next slide - if you choose to make one I would love to see it!

## English

Today we are focusing on a story we know really well - Funny Bones! Listen to the story here

<https://www.bbc.co.uk/bitesize/articles/zfmpg8>

then have a go at the activities underneath. You can write the answers into your book or answer them verbally with an adult.

Why not listen to a story today? There are lots of great stories here

## Joke of the day

What is brown, hairy and wearing sunglasses?

A coconut on holiday!

## Think of the day

Would you rather have wings or four legs?

You could use  
coloured pencils,  
paper, paint or  
just talk about  
your strengths  
with an adult
