- If it is not possible to pay fees by the deadline then a meeting with the Headteacher is to be arranged as soon as possible.

Fee structure:

Fees are charged as detailed. The club recognises that child care can be costly, so we encourage eligible parents or carers to claim the child care element of the Working Tax Credit. We are also registered to accept various childcare vouchers, please ask for more details.

- Fees are payable monthly in arrears.
- Fees are to be paid using SchoolMoney. Childcare vouchers are accepted.
- Fees are charged for booked sessions whether the child attends or not.
- We offer a 10% discount for siblings.

Staffing:

- Our club is staffed by the Manager and two assistants per session
- We aim to provide a smooth transition between school and club
- If you have a query or concern at any time, please speak to a member of staff at the club when you collect your child. If you prefer to arrange a more convenient time for a meeting, please contact the Manager.

Arrivals and departures:

- Admission is through the school's main entrance where you will be let in by a member of staff and departure is through the same door
- A register is taken when children arrive in our care. Parents will sign children in with the time they arrive and out with the time they are collected.
- We expect that your child will normally be collected by the people you have named on the registration form. If you need a different person to collect your child on a particular day, you must notify us in advance and provide the person collecting your child with the appropriate password.
- We will not release your child into the care of another person unknown to us without your authorisation.
- The evening Club finishes at 6pm, if you are delayed for any reason please telephone the Club to let us know. A contribution towards the costs for any extra staff wages will be incurred.
- If your child remains uncollected after 6.15pm and you have not warned us that you will be delayed and if we have been unable to reach you on any of your emergency contacts, we will follow our **Uncollected Children Policy** and contact the Social Care Team.

During Covid-19 restrictions, parents are not allowed in school. Children are to be admitted and collected at the hall door that leads onto the back playground. A member of Woody's staff will meet parents and sign the child in/out whilst parents are still in attendance.

- The children are free to choose activities and resources as they wish.
- There will always be a selection of activities and resources available, including crafts, board games, construction, computer games, physical play, cookery, homework table, imaginative play and reading.

- Fresh drinking water is available at all times.
- We meet individual dietary requirements and parental preferences wherever possible.
- We recognise the importance of healthy nutrition for all children delivered in a calm, friendly setting.

Behaviour:

Woody's follows the school's behaviour policy. The club promotes an atmosphere of care, consideration and respect for everyone attending: children, staff and visitors.

We encourage appropriate behaviour through: praise for good behaviour; with emphasis on cooperative play, sharing, talking to children with the courtesy that we expect and engaging children in activities.

The club has procedures for dealing with unacceptable behaviour. We recognise that poor behaviour can occur from time to time for reasons that are not always evident, or as a result of special needs. We will try to be flexible in order to accommodate such cases. However, if your child is violent, or if their behaviour poses an immediate danger to themselves or others, we will require you to collect them from the club immediately. This will occur in only exceptional circumstances when other attempts at behaviour management have failed.

Behaviour (Adults):

We will not tolerate from any person, whether a parent, carer or visitor: bullying; aggressive, confrontational or threatening behaviour; or behaviour intended to result in conflict. Our club is a place of safety and security for the children who attend and the staff who work here, and we reserve the right to ban anyone exhibiting inappropriate behaviour from our premises.

Illness:

We are unable to care for children who are unwell. If your child becomes unwell whilst at the club we will contact you and ask you to make arrangements for them to be collected.

Please inform the Manager of any infectious illness your child contracts. If your child has had sickness or diarrhoea please do not send him or her to the club for 48 hours after illness has ceased.

Accidents and First Aid:

- Every precaution is taken to ensure the safety of the children at all times, and the club is fully insured.
- Our staff are trained in first aid and a first aid kit is kept on the premises.
- If your child has an accident whilst in our care, you will be informed when you collect your child.

Medication:

Please let a member of staff know if your child is taking prescribed medicine. If your child needs to take medicine whilst at the club you will need to complete a **Medicine Consent Form** in advance.

Child Protection:

We are committed to building a 'culture of safety' in which the children in our care are protected from abuse and harm. Any suspicion of abuse is promptly and appropriately responded to. We comply with local and national child protection procedures and ensure that all staff are trained appropriately. For more details see our **Child Protection Policy**.

Policies and procedures:

The Club has clearly defined policies and procedures. Key points of the main policies are included in this handbook. Copies of our **Wrap Around Care Policy** are kept at the club and on the school website for parents to consult at all times.
