

Maths

In Maths we will be developing our understanding of place value initially focusing on numbers to 10. We will also be exploring 2D and 3D shapes and developing our verbal reasoning skills.

English

This half term we will be basing our learning around a number of different stories such as 'Dinosaurs in the supermarket' and 'Stomp Chomp Big Roars!'. We will be re-visiting Phase 4 phonics and practising reading and writing the sounds we learnt in Reception. We will also be developing our ability to write independently.

Science

We will begin the year with our Science topic 'Animals including humans' focusing on ourselves and our bodies.

YEAR ONE CURRICULUM MAP

AUTUMN ONE

DINOSAUR PLANET

Music

In Music we will be exploring pulse and developing our ability to identify and copy the pulse within a piece of music.

Computing

In our ICT lessons we will be developing our understanding of 'grouping and sorting' using a computer.

Personal, social and health education

In our PSHE lessons we will be thinking about 'Beginning and Belonging' focusing on settling in to our new class.

R.E.

In R.E. we will be exploring the religion of Christianity.

P.E.

In P.E. we will be developing our skills in movement through our gymnastics lessons. We will also be developing our skills in handling a ball in our outdoor P.E. lessons.

Geography

In our Geography lessons we will be learning about continents and oceans and finding out where on our planet dinosaurs lived.

Art and D&T

In our Art lessons we will be exploring different media and creating lots of different dinosaur crafts. We will also be designing and making a dinosaur habitat.
