

Gymnastics

Liam, Libby and both the Lotties did us proud this week in their gymnastic competition. Two children were awarded 1st and 2nd place for the individual competition and Woodstone came 1st place for the group competition. These children are now entered into the county competition – we wish you the best of luck!

As a treat for all the children for their effort in gymnastics this half-term, we got out the big climbing frame along with lots of other apparatus so the children could show off what they have learned over the past few weeks, well done Year 2!
