

ABOVE THE SKY

Please answer the questions below for your English work today. There are NO right or wrong answers. This activity is about you practising your inference (detective) skills, your retrieval (claw) skills and using prediction to answer the questions sensibly using the clues from the picture. You can answer the questions in your red exercise book or type it on a word document. To save your word document as a PDF, click Save As and then Save As Type and select PDF. You can then upload this to Seesaw. Good luck!

- What can you see?
- Who is the woman?
- Why is she holding an umbrella and a bag?
- Where did she come from? Where is she going?
- How can she possibly survive here?
- What might she be thinking at this moment?
- If you could ask her a question, what would you ask?
- Imagine you could go 'above the sky'. How would you describe what you could see to someone who wasn't with you? Write a descriptive paragraph, imagining you are writing it for someone who cannot see it.
- Write a poem describing the view from above the sky.
