

### **Mathematics**

This half term we will be exploring number bonds to 10. We will be counting in 2s, exploring 3D shapes and lines of symmetry and measuring and comparing length, height and weight.

### **Communication and Language**

We will continue to take Rocky home and share our weekend news with the rest of the class. We will also continue to develop our listening skills during circle time.

### **Physical Development**

This half term we will be developing our dance and movement skills with our dance teacher, Miss Bethan, on a Thursday afternoon. We will also continuing to develop our fine motor skills through 'Dough Gym' and 'Penpals for Writing'.

### **Literacy**

This half term we will be developing our writing skills further, focusing on forming sentences. We will spend time exploring new stories in order to find out lots of new facts about different amazing animals.

# Amazing Animals

### **Understanding the World**

This half term we will be finding out about different incredible animals. We will also be thinking about where in the world we might find them. We will also be continuing with our Forest School sessions on a Friday morning introducing tool use and campfire cooking.

### **Personal, Social and Emotional Development**

Our PSHE topic for this half term is 'Identities and Diversity'. We will be learning about ourselves and others through exploring different cultures and religions.

### **Expressive Arts and Design**

This half term we will be finding out about Africa and all of the incredible animals which live there. We will be designing our own African inspired patterns and masks as well as making our own African drum.
