

### **Mathematics**

This half term we will be focusing on addition and subtraction to 10. We will start by looking at combining two objects to make a whole. We will then look at our number bonds to 10 using a ten's frame and the part-whole model. a

### **Communication and Language**

We will be storytelling and creating Traditional Tales in small groups. We will be developing our listening skills during Circle Time. We will also encourage children to share items from home during 'Show and Tell'.

### **Physical Development**

We will continue our weekly PE lessons on a Monday afternoon where we will be doing gymnastics with our sports coach. We will also continue to develop our fine motor skills through 'Dough Disco' and our 'Funky Fingers' challenges.

### **Literacy**

This half term we will be exploring lots of traditional tales, such as The Three Little Pigs and Jack and the Beanstalk.

We will be spending time thinking about the structure of a story and creating our own versions of some of these traditional stories. We will be storytelling in groups and putting on our own puppet show to re-tell the stories.

Will you  
read me a  
story?

### **Understanding the World**

This half term we will be continuing with our Forest School sessions, introducing tool use and campfire cooking. We will be building houses for The Three Little Pigs, making bread and growing beans.

### **Personal, Social and Emotional Development**

Our PSHE topic for this half term is 'Keeping Safe' where we will be thinking about different ways to make sure we keep ourselves and each other safe.

### **Expressive Arts and Design**

This half term we will be acting out traditional tales, as well as creating our own props, scenery and puppets for our puppet show. We will also be creating characters from our traditional stories using lots of different media.
