

I hope you have had a lovely weekend.

I cannot believe we are already on Rainbow Challenge number 20!

I will now be uploading the maths activity sheets to the website (underneath the Rainbow Challenges) because you will be no longer able to download them directly from the website. These premium resources are now only available to schools that have a subscription.

Phonics

Please practise reading your sounds.
Remember there are some sounds flash card games available for free on

www.phonicsplay.co.uk

To sign in, use the username 'march20' and the password 'home'.
Now have a go at the Phonics Challenge on the page below. Write the matching word for the pictures. You might need an adult to give you some clues!

Reading

This week we will be reading the book 'Ned and The Three Bears' which is available on Purple Mash. I wonder if you can guess who the porridge belongs to?

You will find Chapter 1, the quiz and an optional additional activity in your '2Dos' on Purple Mash.

Maths

Please click on the link below and select 'Summer Term - Week 4 W/C 11th May - Lesson 1' (remember we are working a week behind the plan).

Please download and complete the Maths activity sheet I have uploaded to the website. You will find this under today's Rainbow Challenge.

Writing

Look at the 3 sentences on page 4 below.

Whoops! I have made some mistakes. Can you find all of my mistakes and rewrite the sentences with your corrections?

PE

Have a go at the PE challenge on page 3 below.

I would love to see some video clips/photos of you having a go at this!

Random Act of Kindness

Do a job in the house that you have never done before. Maybe you could help to empty the bins or change the bed sheets?

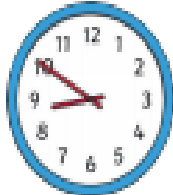

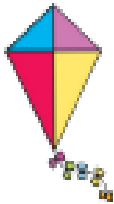

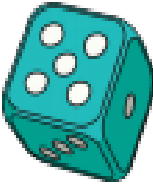

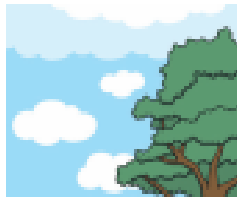

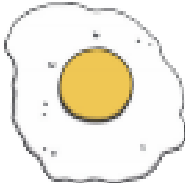

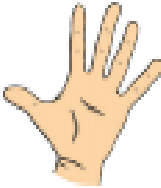

Key Skills

Say the missing numbers:

1, 3, __, 7, __, 11, __

What do you notice about these numbers? Tell a family member.

challenge

This week's challenge is Animal Alphabet! For this challenge you will need three target "hoops", a ball, some paper and some great animal knowledge! Start by placing your target hoops down on the ground in a vertical line about two big steps apart. Next write down A, B & C on a separate pieces of paper (you can use small bits of paper for this) and put A down next to one hoop, B to the next hoop and C to the last hoop. Now take 5 big steps backwards and mark down a throw line (you can use anything for this!). Grab your ball and try to throw it into hoop A, B or C to get 5 points! If you land the ball in the hoop you then have 30 seconds to name as many animals beginning with that letter as you can, you get a bonus point for every animal you think of! Once you've done A, B & C why not keep working down the alphabet?

No hoop or ball?

No ball = rolled up socks! If you haven't got any hoops you could make a circle out of toys or use stones/chalk outside.

Mix it up!

You could try kicking the ball into the target instead to change this game up!

It's too easy!

Move your throwing line further back & try using different types of throws!

It's too hard!

Try moving your throwing line closer to the targets or make your targets a bit bigger!
