

In Forest Schools we are consolidating our learning about the Vikings.

We wrote a message in  
the Viking alphabet using  
sticks found in the forest.

We made a campfire and toasted bread.

We made a campfire and toasted bread.

We dug a pit and made mud. We then shaped the mud into a circle. We decorated them with natural materials to look like a Viking shield.

We learnt how  
to whittle with  
Mr Medlycott.
