

Day 2 - Tuesday 24th March 2020

I hope you had a good day yesterday, worked well with your 'new teachers' and completed all the tasks successfully! Here are today's tasks and challenges. As always, please remember to do them carefully and to record your answers and written work neatly and clearly, just as if you were in the classroom. **Remain a proud learner!**

Subject	Task	
Maths	Complete Basic Skills number 1.	
English	Do the crossword for Spelling Set A. Pick 6 different words from yesterday, write their definition and then use them in either a sentence or a paragraph; you choose which to determine how much you challenge yourself. Remember, aim high! Read to yourself for at least 15 minutes. Read to an adult for 10 minutes and discuss what you have read. Remember to ask your adult questions too!	
Creative	Create your own 3-D island using things you find in the garden or around the house. Choose carefully and check before you pick just anything. If you can, take a picture when you've finished and stick it into your book.	
Physical	How many different balances can you perform and hold for at least 5 seconds? Make sure you include ones with given/limited amounts of body parts allowed to be in contact with the ground (eg 1 foot and 2 hands). Get another family member to join in with some too. Ensure that all the balances are safe to do though. Know your limits!	Join in with the Joe Wicks 9.00am School Workout on YouTube. Everyone's doing it!
Challenge	Help to prepare breakfast, lunch or tea. Oh, and help to tidy up after eating it too!	

Good luck, enjoy and stay safe!
