

Spellings

Spelling sessions will occur 3-4 times a week, focusing on the spelling patterns and rules needed for Year 6.

Guided Reading

Small group guided reading sessions will happen each day, with each child reading at least twice a week with an adult. We will also be having whole class sessions once a week.

Topic:

Through our topic work we will be learning about...

- The circulatory system and its important features.
- How to measure heart rates accurately.
- The impact of different substances on the human body.
- The health benefits of different food.
- How to organise a fundraiser.

Music

Mrs Burns will be focusing on composition and music theory.

French

Mrs Beard will be developing the children's reading, written and spoken French.

PE

Mr Barrow will be taking the children for basketball once a week. The other PE lessons will be focusing on fitness activities.

Welcome to Year 6

Spring Term 1

BLOODHEART

Maths

This half term we will be covering all areas of the curriculum at some point, but with particular focus on...

- Number and place value
- Addition and subtraction
 - Multiplication and division
