

## Woodstone Community Primary School

### Minutes of the Parent Forum of Woodstone Community Primary School

1<sup>st</sup> February 2018

**Present:-** Clare\_Hollyoak-O'Neill (Reception), Alison Carr (Yr 4), Fran Marshall (Yr 3 and Yr 4), Hilary Moore (Yr 5) Gemma Crawford and Simone Fellows (Deputy Head teacher)

**Apologies:-** Pat Mullins (Head teacher)

**Welcome:-** Members were welcomed to the meeting.

#### Our Values and Vision

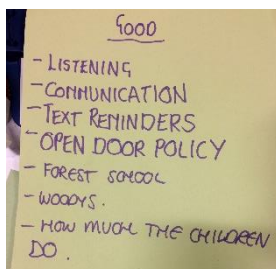

### One step at a time!

**Our vision should express the values and beliefs about what we all consider to be of real importance in education today**

Simone shared with the group the work we have been doing in school around our vision and the importance of a shared vision for all (parents, children, staff, governors) if we are to become even better.

The group were asked to comment on what we do well already and what we could get better at.

The things which the group thought we could do better at were: lost property, school meals, transition, making sure that all classes have lots of interesting things to see on their web page and all of which we will be addressing in the near future.

The group were also asked to discuss what they hoped a child leaving Woodstone would look like, in terms of their strengths and qualities.
