

Maths

In Maths this half term we will be focusing on addition and subtraction within 10, as well as learning about length and height as part of our measuring topic.

English

In English this half term we will be moving onto Phase 5 Phonics, learning alternative graphemes for each phoneme. We will also be exploring stories such as 'Dear Zoo', 'The Tiger who Came to Tea' and 'Class One Farmyard Fun'.

Science

In Science this half term we will be focusing on animals, learning about different fish, amphibians, reptiles, birds and mammals.

Year 1 Curriculum Map Autumn 2

Paws, Claws and Whiskers

PSHE

In PSHE we will be developing our skills in working together as well as exploring diversity and different communities.

Music

In Music this half term we will be doing lots of singing and exploring 'Voice', learning how to use our voices to make music.

Computing

In Computing this half term we will be working through our 'Lego Builders' unit learning how to follow instructions. We will then move on to our 'Maze explorers' unit.

Geography

In Geography this half term we will be learning about the habitats of different animals and locating these on world maps.

Art and D&T

This half term we will be exploring lots of different media and materials to create artwork inspired by animals. We will be using animal prints and camouflage as a basis for some of our artwork

R.E.

In R.E. this half term we will be exploring the religion of Islam.

P.E.

In P.E. this half term we will be continuing our 'ball skills' topic with our Sports Coach Mr Kendrick.
