Year 3 had a virtual workshop with Google! Our guides gave us an interactive experience where we learned all about staying safe online!

We explored different ways in which we can protect ourselves online, including...
- Securing our secrets and keeping our personal details safe.
- Showing respect to other people online.
- Using our detective skills to avoid scams.
- Thinking about how our actions online might affect others.

If you want to find out more, or explore Interland with your children at home, then search 'Be Internet Legends' at home!
