

Activists

Over the past couple of weeks, we have been learning about activists. An activist is a person who feels strongly about helping people, other living things or the planet. They protest to make changes happen. After learning about significant activists such as Emmeline Pankhurst, Rosa Parks and Alice Hawkins in our history lessons and the protests they have been a part of, we decided to make our own protest posters about things we feel strongly about such as anti-bullying and recycling.
