

## English

So today I would like you to finish your stories. Spend some time editing and improving to make your story perfect. I have attached my version of the story that I have written so far to maybe give you inspiration for yours. I am going to upload the Year 6 writing assessment sheet too so you can use it to edit your own work and improve it by adding in the things you have forgotten!

If you have access to a laptop/computer, please type your story up and save it as a PDF to upload to Seesaw (if you are on it). I would love to read them!
